Policy relating to archaeology and the historic environment is complex and constantly changing. If you need to understand the legal context for the archaeology you are doing, an appropriately skilled professional archaeologist can advise you.

Archaeology, planning policy and legislation in the UK ...

The term “ cultural heritage ” was introduced by UNESCO legislation in 1973. Cultural heritage or cultural property law (the terms are used interchangeably) regulates and protects culturally significant sites, objects, etc. UNESCO defines the term cultural heritage in several different ways :

ADVICE FOR FINDERS OF ARCHAEOLOGICAL OBJECTS, INCLUDING ...

The MPhil in Heritage Studies is an exciting and intensive programme that investigates the many ways heritage is involved in the key contemporary challenges facing society. The programme will challenge you to think about how the past is used in the present, what we choose to take from the past with us into the future, how places and things develop heritage value, and how heritage is used and managed.
