As a novelist, Alexander Chee has been described as “ masterful ” by Roxane Gay, “ incendiary ” by the New York Times, and "brilliant" by the Washington Post. With How to Write an Autobiographical Novel, his first collection of nonfiction, he ' s sure to secure his place as one of the finest essayists of his generation as well. How to Write an Autobiographical Novel is the author ' s

manifesto on the entangling of life, literature, and politics, and how the lessons learned from a life spent reading and writing fiction have changed him. In these essays, he grows from student to teacher, reader to writer, and reckons with his identities as a son, a gay man, a Korean American, an artist, an activist, a lover, and a friend. He examines some of the most formative experiences of his life and the nation's history, including his father's death, the AIDS crisis, 9/11, the jobs that supported his writing—Tarot-reading, bookselling, cater-waiting for William F. Buckley—the writing of his first novel, *Edinburgh*, and the election of Donald Trump. By turns commanding, heartbreaking, and wry, *How to Write an Autobiographical Novel* asks questions about how we create ourselves in life and in art, and how to fight when our dearest truths are under attack.

Essays by fourteen influential geographers provide timely examples of practical geographical scholarship and a useful antidote to "ivory tower" theories.

I Tell You Now is an anthology of autobiographical accounts by eighteen notable Native writers of different ages, tribes, and areas. This second edition features a new introduction by the editors and updated biographical sketches for each writer.

Professor Olney gathers together in this book some of the best and most important writings on autobiography produced in the past two decades. Originally published in 1980. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Reveals the life of the poet chronicling his chronic depression, his love of jazz music, and his suicide attempt

"Blackness is an art, not a science. It is a paradox: intangible and visceral; a situation and a story. It is the thread that connects these essays, but its significance as an experience emerges randomly, unpredictably. . . . Race is the story of my life, and therefore black is the body of this book." In these twelve deeply personal, connected essays, Bernard details the experience of growing up black in the south with a family name inherited from a white man, surviving a random stabbing at a New Haven coffee shop, marrying a white man from the North and bringing him home to her family, adopting two children from Ethiopia, and living and teaching in a primarily white New England college town. Each of these essays sets out to discover a new way of talking about race and of telling the truth as the author has lived it. "Black Is the Body is one of the most beautiful, elegant memoirs I've ever read. It's about race, it's about womanhood, it's about friendship, it's about a life of the mind, and also a life of the body. But more than anything, it's about love. I can't praise Emily Bernard enough for what she has created in these pages." --Elizabeth Gilbert WINNER OF THE CHRISTOPHER ISHERWOOD PRIZE FOR AUTOBIOGRAPHICAL PROSE NAMED A BEST BOOK OF THE YEAR BY NPR AND KIRKUS REVIEWS ONE OF MAUREEN CORRIGAN'S 10 UNPUTDOWNABLE READS OF THE YEAR

A glimpse into a beloved novelist's inner world, shaped by family, art, and literature. In her fiction, Claire Messud "has specialized in creating unusual female characters with ferocious, imaginative inner lives" (Ruth Franklin, *New York Times Magazine*). *Kant's Little Prussian Head and Other Reasons Why I Write* opens a window on Messud's own life: a peripatetic upbringing; a warm, complicated family; and, throughout it all, her devotion to art and literature. In twenty-six intimate, brilliant, and funny essays, Messud reflects on a childhood move from her Connecticut home to Australia; the complex relationship between her modern Canadian mother and a fiercely single French Catholic aunt; and a trip to Beirut, where her pied-noir father had once lived, while he was dying. She meditates on contemporary classics from Kazuo Ishiguro, Teju Cole, Rachel Cusk, and Valeria Luiselli; examines three facets of Albert Camus and *The Stranger*; and tours her favorite paintings at Boston's Museum of Fine Arts. In the luminous title essay, she explores her drive to write, born of the magic of sharing language and the transformative powers of "a single successful sentence." Together, these essays show the inner workings of a dazzling literary mind. Crafting a vivid portrait of a life in celebration of the power of literature, Messud proves once again "an absolute master storyteller" (Rebecca Carroll, *Los Angeles Times*).

Twenty-seven Native American writers describe their lives in relation to their art and to their families in a rich collection demonstrating the importance of storytelling in their heritage and the complexity of their experience. Original. 10,000 first printing.

"This book is just that: reflections of a highly polished mind that uncannily approximate the century's fragments of shattered traditions." — *Time* A companion volume to *Illuminations*, the first collection of Walter Benjamin's writings, *Reflections* presents a further sampling of his wide-ranging work. Here Benjamin evolves a theory of language as the medium of all creation, discusses theater and surrealism, reminisces about Berlin in the 1920s, recalls conversations with Bertolt Brecht, and provides travelogues of various cities, including Moscow under Stalin. Benjamin moves seamlessly from literary criticism to autobiography to philosophical-theological speculations, cementing his reputation as one of the greatest and most versatile writers of the twentieth century.

Examines the state of autobiography in the postmodern world, demonstrating how writers use the experience of fragmentation to forge new kinds of collaborative identities.
