Check Tire Wear and Damage Check for tread wear limits as shown above. Repair or replace any tire damaged by a foreign object. Change Gear Oil Replace the 10 weight or GY gear oil after the first 300 km ...

DIVGas prices go up and down, but mostly up, and that trend is likely to continue for the foreseeable future. Because of this, people are increasingly turning to motor scooters. In addition to being entertaining to ride and providing extreme mobility, scooters often travel up to 100 miles for each gallon of gasoline burned. How to Repair Your Scooter is divided into chapters according to the scooter's various mechanical systems. For example, brakes, suspension, intake, exhaust, etc. each have their own chapter. Each chapter begins with a simple explanation of how the subsystem works and what its strengths and weaknesses are. The chapter then takes the reader through a series of common maintenance and repair projects, each illustrated with step-by-step sequential photography with captions. Content covers two- and four-stroke scooters and is relevant for machines from all markets. /div

A service and repair manual with generic model coverage, suitable for 50 to 250cc scooters with carburettor engines. Includes a data section on the following models Aprilia SR50 (94-99), Rally 50, Sonic FT and GP, Leonardo 125.

The Haynes Service and Repair manual for the Piaggio Vespa Scooter.

The standard mode of transportation for decades in Europe, motor scooter was a cult "fun" vehicle in the USA until the past two years. With oil prices soaring and the 20-to-40 set looking for alternative means of commuter (and weekend cruising) travel, motor scooter have exploded across the United States. In 2001, less than 30,000 scooters cruised U.S. roadways. In 2005, over 100,000 are road-bound, and the number is growing by double digits each year. Beginning at \$1,000 and ranging up over \$5,000, dozens of models of scooters are available, as are thousands of accessories. And scooter clubs meet from San Diego to Bangor, Maine. Every year, the largest gathering of motor scooters takes place in Indianapolis, speed capital of the world. The Complete Idiot's Guide to Motor Scootersis the perfect introduction to the wonderful world of motor scooting.
