democracy. This means citizens vote for people to represent, or speak for, them. California has a representative democracy, too.

Californians vote for their governor, senators, and representatives.

These elected officials create, uphold, and interpret California laws.

## Democracy In

California government is the people's power to govern themselves through the instruments of direct democracy.

Article II of the state constitution affirms this view: "All political power is inherent in the people... and they have the right to alter or reform it when the public good may require."
