Here in the UK, on a daily basis, people buy and sell billions of pounds' worth of shares on the London Stock Exchange. You can trade in any number of roughly 3,100 different types of companies. Shares are listed on an 'index' and the UK's biggest is the FTSE 100 – the 100 biggest firms.

Investing for beginners: how to get started

Market orders: This is the most common type of order. You tell your broker to sell your shares at the best price or to buy shares at the current price. Because these orders are executed almost immediately and are straightforward, they typically have the lowest commissions. Limit orders: With a limit order, you tell your online broker the price you're willing to take if you're selling stocks and the price you're willing to pay if you're buying.

How to Trade in Stocks Online - dummies
