In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks-one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths.In this ebook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this ebook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK.As an extra bonus, this ebook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the ebook. You should also purchase the accompanying eBook which covers the English Literature exams.

The world's foremost expert on the English language takes us on an entertaining and eye-opening tour of the history of our vernacular through the ages. In The Story of English in 100 Words, an entertaining history of the world's most ubiquitous language, David Crystal draws on one hundred words that best illustrate the huge variety of sources, influences and events that have helped to shape our vernacular since the first definitively English word—"roe"—was written down on the femur of a roe deer in the fifth century. Featuring ancient words ('loaf'), cutting edge terms that reflect our world ('twittersphere'), indispensable words that shape our tongue ('and', 'what'), fanciful words ('fopdoodle') and even obscene expressions (the "c word"...), David Crystal takes readers on a tour of the winding byways of our language via the rude, the obscure and the downright surprising.

This is the definitive survey of the English language - in all its forms. Crystal writes accessibly about the structure of the language, the uses of English throughout the world and finally he gives a brief history of English. The book has been fully revised and there is a fascinating new chapter on 'The effect of technology' on the English language. 'Illuminating guided tour of our common treasure by one of its most lucid and sensible professionals' The Times 'A splendid blend of erudition and entertainment' THES

It seemed like any other season on Mount Everest. Ten expeditions from around the world were preparing for their summit push, gathered together to try for mountaineering's ultimate prize. Twenty-four hours later, eight of those climbers were dead, victims of the most devastating storm ever to hit Everest. On the North face of the mountain, a British expedition found itself in the thick of the drama. Against all odds, film-maker Matt Dickinson and professional climber Alan Hinkes managed to battle through hurricane-force winds to reach the summit. In Death Zone, Matt Dickinson describes the extraordinary event that put the disaster on the front cover of Time and Newsweek. The desperate attempts of teams on the southern side of the mountain, fatal errors that led to the deaths of three Indian climbers on the North Ridge and the moving story of Rob Hall, the New Zealand guide who stayed with his stricken client, and paid with his life. Based on interviews with the surviving climbers and the first-hand experience of having lived through the killer storm, this gripping non-fiction book tackles issues at the very heart of mountaineering. Death Zone is an extraordinary story of human triumph, folly and disaster.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

Proud and solitary, Eel Marsh House surveys the windswept reaches of the salt marshes beyond Nine Lives Causeway. Arthur Kipps, a junior solicitor, is summoned to attend the funeral of Mrs Alice Drablow, the house's sole inhabitant, unaware of the tragic secrets which lie hidden behind the shuttered windows. It is not until he glimpses a wasted young woman, dressed all in black, at the funeral, that a creeping sense of unease begins to take hold, a feeling deepened by the reluctance of the locals to talk of the woman in black.

You paint an outside wall. It rains. What happens to the paint? It runs off, of course! So it is with our students. We teach them something. We can't be bothered to do the recap, the plenary, as we don't have any ideas. They leave the lesson. They promptly forget what you have taught them. There was no point their being in the lesson in the first place. The world continues turning. This practical little book of plenaries does what it says. It delivers a series of simple ideas for how to make your lesson endings - or mid-lesson recaps - interesting, engaging and cognitively challenging. Apply the ideas in this book and your students will leave the lesson with the information you have taught them still in their heads.

"WITH AN INTRODUCTION BY J.M. COETZEE A gang war is raging through the dark underworld of Brighton. Seventeen-year-old Pinkie, malign and ruthless, has killed a man. Believing he can escape retribution, he is unprepared for the courageous, life-embracing Ida Arnold. Greene's gripping thriller, exposes a world of loneliness and fear, of life lived on the dangerous edge of things". "In a class by himself-the ultimate chronicler of twentieth-century man's consciousness and anxiety" - William Golding, Independent The most ingenious, inventive and exciting of our novelists, rich in exactly etched and moving portraits of real human beings - The Times read Brighton Rock when I was about thirteen. One of the first lessons I took from it was that a serious novel could be an exciting novel that the novel of adventure could also be the novel of ideas - Ian McEwan"
