SUPERNOVA!!!!!!Supernova Amulet 8
This is the eighth volume in the Amulet
graphic novel series. The illustration

remains amazing and the story makes some good progress too. I continue to be impressed with how well done this graphic novel series is.

Like the last few volumes, Book 8 features

about 15% essential plot and 275% unnecessary characters, locations, and dialogue. The series has lost focus and spiraled out of control. Characters once essential now lurk in the background, ignored. Villains once feared die off or disappear.

Amulet, Book 8: Supernova was honestly a disappointment, especially after waiting two years for it. The graphic novel continues the story of the stonekeeper Emily that has been going for the past seven volumes. In the last book Emily lost

control of her stone powers and turned into a massive firebird and was trapped in the void.
